

Join NOAA Fisheries' Northeast Regional EEO/DAC in celebrating
National Disability Awareness Month

On Hearing:

A World of Silence,

A World of Sound

Tuesday, October 23, 2007

Clark Conference Room (NMFS Aquarium bldg.)

2 PM to 3 PM

It's not the usual weepy dramatic film or documentary ...

Inspired by the format of NPR's "This American Life," come join this unique multimedia tour of perspectives on hearing from opposite ends of the disability spectrum: from hearing too little to hearing too much.

In Part I, explore the poetry of Deaf culture in a surprising new way. In Part II, find out what it's like to hear sounds in your head – sounds that never go away. With audio recordings and video clips, and supplementary commentary by EEO/DAC member and wanna-be radio host Jen Martin.

"The NMFS Northeast Regional EEO and Diversity Advisory Committee strives to inform Region and Center personnel on EEO/Diversity issues and foster a culture that understands and appreciates EEO/Diversity as an integral part of Regional and Center activities."
