Climate

NEFSC Ocean Acidification Program

Beth Phelan, NEFSC Ecosystems Processes Division

Northeast Coastal and Ocean Climate Applications Program

Jon Hare and Vince Saba, NEFSC Ecosystems Processes Division

Ocean Acidification and Sea Scallops

Jennie Rheuban, Woods Hole Oceanographic Institution

Long-term Changes in Fish Early Life Stages

Harvey Walsh, NEFSC Ecosystems Processes Division

Species Interactions

Cod-Herring-Sand Lance Interactions

David Richardson, NEFSC Ecosystems Processes Division

Evacuation Rate Measurements

Beth Phelan and John Rosendale
NEFSC Ecosystems Processes Division

Northern Shrimp Predator Index

Anne Richards and Larry Jacobson
NEFSC Resource Assessment and Evaluation Division

Aquaculture and Ecosystem Science

Tom Noji
NEFSC Aquaculture & Assessment Division/ Ecosystems Processes Division

Habitat

EFH Database

Jeff Pessutti, NEFSC Ecosystems Processes Division

Deep-sea Coral Investigations

Dave Packer, NEFSC Ecosystems Processes Division

Habitat Mapping and Evaluation

Vince Guida, NEFSC Ecosystems Processes Division

Atlantic Marine Assessment Program for Protected Species Program

Debra Palka, NEFSC Resource Assessment and Evaluation Division

Cooperative Research

Environmental Monitors on Lobster Traps

Jim Manning & Vince Guida, NEFSC/Ecosystems Processes Division

Cooperative Investigations of Atlantic Mackerel

Kiersten Curti, NEFSC Resource Assessment and Evaluation Division
John Manderson, NEFSC Ecosystems Processes Division

Study Fleet Program

John Hoey, Northeast Cooperative research Program

Data Collection Programs

Food Habits Program

Brian Smith, NEFSC Fisheries and Ecosystems Monitoring & Analysis Division

Ecosystem Monitoring Survey

Jerry Prezioso, NEFSC Ecosystems Processes Division

Hydrographic Monitoring

Paula Fratantoni, NEFSC Ecosystems Processes Division

Informatics for Integrated Ecosystem Assessments

Stace Beaulieu, Woods Hole Oceanographic Institution

Integrated Assessment

Northeast U.S. Continental Shelf Integrated Ecosystem Assessment Program

Michael Fogarty, NEFSC Ecosystem Assessments Program

Simulation Testing of a Georges Bank Multispecies Assessment Pilot Project

Robert Gamble, Sarah Gaichas, Mike Fogarty, Sean Lucey, Laurel Smith
