APPENDIX 8.

Cumulative percentage of catches of cod, haddock and yellowtail flounder in relation to water depth in NEFSC 2001 autumn and 2002 spring bottom trawl surveys. Also indicated is the trawl warp offset associated with the water depths sampled.

2001 Fall Survey

Trawl Warp Offset (feet)

Proportion of Species Catch

Cod
Haddock
Yellowtail

Water Depth (meters)

2002 Spring Survey

Trawl Warp Offset (feet)

Proportion of Species Catch

Cod
Haddock
Yellowtail

Water Depth (meters)
