Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to Tammy Murphy, NOAA Line office, 166 Water Street, Woods Hole, MA, 02543-1026.

Responses to this information request are confidential under section 402(b) of the Magnuson-Stevens Act as amended in 2006. Responses are also confidential under NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics. Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subjected to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. Version 1.A.
Please tell us about your fishing in calendar year 2012.
The information you provide will remain strictly confidential.
You will not be identified with your answers.

1. What are the top three species of fish you targeted during 2012 and what was your primary gear for each?

Questions 4-6 are about your ownership of commercial fishing vessels in the year 2012.

4. How many commercial fishing vessels did you own by yourself in 2012? (Note: if the number of vessels you owned by yourself changed during 2012, please indicate how many vessels you owned by yourself for most of 2012).

_____ Vessel(s)

5. How many commercial vessels did you own with other people in 2012? (Note: if the number of vessels you owned by yourself with others changed during 2012, please indicate how many vessels you owned with other people for most of 2012).

_____ Vessel(s)

6. How many commercial vessels did you purchase or sell during calendar year 2012?
   a. Number of commercial vessels that you owned yourself that you sold: _____ Vessel(s)
   b. Number of group-owned commercial vessels that you sold your interest in: _____ Vessel(s)
   c. Number of commercial vessels that you purchased by yourself: _____ Vessel(s)
   d. Number of commercial vessels that you purchased an interest in: _____ Vessel(s)
      (for part d, please do not include the vessels that you indicated in part c.)

Questions 7 and 8 help us to understand and communicate the importance of fishing income and other income sources to your household.

7. In the table below, please list all major sources of household income in 2012, including fishing, starting with the most important.

Please include sources of income such as investments and unemployment payments. Estimate the percentage that each contributed to your total household income.

Please consider all sources of income from everyone that lives in your house. If you have more than four income sources, please use the lines provided on the next page.

8. Please indicate whether you agree, disagree, or are uncertain about the following underlined statement by checking ONE response for each time period:

My fishing income in 2012, if that were my annual fishing income over the next few years, is enough to sustain my fishing business over the following time frames:

a. Short Term (1-2 years) ___AGREE ___DISAGREE ___ UNCERTAIN
b. Medium Term (3-4 years) ___AGREE ___DISAGREE ___ UNCERTAIN
c. Long Term (5+ years) ___AGREE ___DISAGREE ___ UNCERTAIN

Questions 9-14 are about your family’s involvement in fishing.

9. As of December 31, 2012, how many years had you been involved in commercial fishing?

_____ Years

10. As of December 31, 2012, how many generations of your family fished commercially, including yourself?

_____ Generations

11. In 2012, were any members of your immediate or extended family (for example, parents, children, siblings, uncles/aunts, cousins, in-laws) involved in commercial fishing or other fishing-related activities (for example, book-keeping, provisioning the vessel, marketing)?

   YES (If YES, Continue with Question 12)

   NO (If NO, Go to Question 17)
12. How many members of your family, other than yourself, worked on your vessel in 2012?

__________ Family members   (If the answer is NONE, go to Question 14, below)

13. For these family members, did their level of involvement on your vessel change in 2012?

   1. Increased
   2. Remained the same
   3. Decreased
   4. Other (please explain below)

For Questions 12 and 13, we would like you to think about your family’s work on your fishing vessel(s) in 2012.

14. In 2012, how many members of your family, other than yourself, were involved in other fishing-related activities that supported your fishing business? Examples of other fishing-related activities include book-keeping, provisioning the vessel and marketing.

__________ Family members   (If the answer is NONE, go to Question 16, below)

15. For these family members, how do you think their level of involvement changed in 2012?

   1. Increased
   2. Remained the same
   3. Decreased
   4. Other (please explain below)

For Questions 14 and 15, we would like you to think about family members that worked for your fishing business in 2012, but did not work directly on your vessel(s) in 2012.
16. In 2012, how many members of your family, other than yourself, were involved in commercial fishing or fishing-related businesses other than your own?

Family members

17. In what port did you usually moor your vessel between fishing trips during 2012?

Port ____________________ State ____________________

18. What was your primary port of landing in 2012?

Port ____________________ State ____________________

19. Please circle the ONE factor that contributed the most to your decision regarding the amount of time to spend fishing using your vessel during 2012.

1. Personal preference
2. Regulations on days-at-sea
3. Quota limitations
4. Physical condition of the vessel or gear
5. Limitations due to weather
6. Price of fish
7. Other (please describe)

20. For your primary vessel in 2012, which best describes how your crew was paid? (Please check ONE response).

1. A share system (revenues and expenses were shared between the boat and crew)
2. Per-trip
3. Hourly wage
4. Other (please describe)__________________________

If your answer to Question 20 included payments to crew through a share system, please continue to Question 21. If not, please go to Question 25.
21. For share systems in 2012, what were the typical percentages distributed to the boat and to the crew?

____ % Boat (owner) share

____ % Crew share

= 100 %

22. For most of the trips taken by your primary vessel in 2012, was the vessel owner-operated or was a captain hired? Please circle ONE response.

1. Owner-operated (Go to Question 24)
2. Hired captain (Continue with Question 23)

23. For share systems in 2012, how was payment to the hired captain of the boat usually handled? [If your vessel was mostly owner-operated, please go to Question 24].

______________________________________________________

______________________________________________________

______________________________________________________

______________________________________________________

Question 24 is about how fishing expenses are handled under share systems.

24. a. In 2012, what expenses did you pay a portion of?

______________________________________________________

______________________________________________________

______________________________________________________

______________________________________________________

b. For this vessel, were there new expenses in 2012 that your crew members were asked to pay that they were not asked to pay before? (Please circle ONE response).

YES  (Please explain below)

NO   (Go to Question 25)
Questions 25-28 are about the crew on your primary vessel in 2012.

25. What was the average size of the crew in 2012 for your vessel? (Include yourself if the vessel is owner operated, or include the hired captain).

___________________ Members

26. In 2012, how many of these crew members had been employed by you for:

___________________ Less than 1 year

___________________ 2-4 years

___________________ 5+ years

27. In 2012, overall how satisfied were you with your crew members? (Please circle ONE response).

1. Very dissatisfied
2. Dissatisfied
3. Neither Satisfied nor Dissatisfied
4. Satisfied
5. Very satisfied
6. Other ________________________________

28. In 2012, did you hire any new crew not previously employed by you for your vessel? If so, how many members?

_______ Members
29. Imagine for a moment that you were not a commercial fisherman in the year 2012 and had to work at another job that you could do.

a. Please indicate other jobs you think you could do and for which you could find employment, if any.

b. What is your best estimate of how much you would have earned in 2012 in this job?

   ___________ Dollars Per Year

c. Please indicate whether this estimate is based on full-time or part-time work (Please circle ONE response).

   1. Full-time
   2. Part-time
In Questions 30 and 31, we are interested in hearing about the amount of fish you have been allowed to catch in your primary fishery, given the rules and regulations in your primary fishery.

30. How much do you agree or disagree with the following statements regarding the amount of fish you are able to catch in your primary fishery under management conditions for your primary fishery? (Please circle ONE number for each of the following items).
