to attend the

eMOLT 5th Anniversary Thank you Celebration

Friday, January 26, 2007

*Starting at 5:00 pm with
overnight accommodations included
Best Western Hotel and Suites
Route 1 By-pass, Portsmouth, NH*

The evening will include

- 5:00pm Hors d'Oeuvres & Cash Bar
- 6:00pm Dinner Celebration
- 7:00pm eMOLT 5 year Update

We are pleased to provide our eMOLT participants and a guest with complimentary overnight

years of successful data collection in the Gulf of Maine. Jim Manning from NOAA will give an overview of the last 5 years of temperature data, drifter studies and the future of the eMOLT project.

We will provide a cash bar cocktail hour starting at 5:00pm followed by dinner and a presentation. There will be complimentary hotel rooms available for those of you who wish to spend the night in Portsmouth. A continental breakfast will also be provided.

Please RSVP by January 5, 2007

Directions to the
Best Western Wynwood Hotel and Suites,
Portsmouth, NH 603-436-7600
www.wynwoodportsmouth.com

From the North:

Interstate 95 South, (after entering New Hampshire) take exit 5 heading towards the Spaulding Turnpike (Rt.16/ US Rt. 4). Go for 0.4 miles and merge onto the Spaulding Turnpike South heading towards the Portsmouth Traffic Circle. Once you've entered the circle take the 2nd exit onto US Rt. 1 Bypass. The Best Western is on your right.

From the South:

Interstate 95 North, (after entering New Hampshire) take exit 5 towards the Portsmouth Traffic Circle. US Bypass
